

PoE Extender

FSC-EXTEND

Features

- Extends Power over Ethernet to 200 meters
- Can be cascaded to reach up to 400m
- No need for local power
- Plug and play, no configuration needed
- Supports 10/100/1000Mbps data rates

Specifications

Model No.	FSC - EXTEND
Standards	
Compliance	IEEE802.3at (POE), WEE Compliant
Ethernet Port	
Data Rate	10/100/1000Mbps
PoE Output	45-57Vdc
Power	
Input Power	PoE, support alternatives A & B DC Input PoE Voltage : 46-57V DC Max Input Current : 0.7A
LED Indicator	DC Power Input/Output (Orange) Ethernet Data Input/Output (Green)
General	
Working Temperature	0°C~40°C
Working Humidity	5~90% (non-condensing)
Color	Metal, Black
Dimensions	95×71.5×26.5mm
Protection Level	Lightning 3KV, 8/20Us; IP40
Mounting	19" 1U Rack
Weight	0.3kg
