

6 Ports 10M/100M Intelligent Industrial Switch FSC-SW1060

Features

- Industrial grade 4 design
- 4*10/100M ports and 2*10/100M Uplink Port
- VLAN, Extend, Standard Swapping
- IP40, DIN35 Rail installation
- Comply with EMC EN55032 standard

Specifications

Model No.	FSC - SW1060
Network	
Connector Type	4*10/100M ports + 2* 10/100M Uplink Ethernet
Media	10BASE-T: Cat3,4,5 UTP (≤100m) 10BASE-T: Cat6 or more UTP (≤250m) 100BASE-TX: Cat5 or more UTP (≤100m)
Network Protocols	IEEE802.3 IEEE802.3u IEEE802.3x
Performance	
Forwarding mode Type	Store and Forward
MAC Table	2K
Cache	512K
Forwarding Rate	0.8928Mpps
Back Bandwidth	1.6G
Power	
Power Input	12~55V DC
General	
Working Temperature	-40°C~75°C
Working Humidity	5~90% (non-condensing)
Color	Metal, Black
MTBF	100.000 hours
Dimensions	119×87×28mm
Certification	CE, FCC Part 15 Class B
Weight	0,4kg
